We welcome any general comments about the services we provide and any suggestions of ways in which we can improve our services to you.

If you have any comments or suggestions please speak to a member of staff.

If you are unhappy with the service you have received at the pharmacy we do have a complaints procedure and will endeavour to resolve your issue as soon as possible. Our Pharmacist will give you further information or details are on the pharmacy's website.

However, if you are not entirely satisfied with the outcome of our investigation you may also seek advice from the local Patient Advice and Liaison Service (PALS). PALS is independent of the pharmacy and they may be able to resolve your concerns informally or they can tell you more about the wider NHS complaints procedure and independent complaints advocacy services.
